## Carson County Wheat Tour

May 11th ~ Groom Community Center ~ 11:45 a.m.

Attebury Grain will be providing lunch at noon for attendees in conjunction with their Customer Appreciation Luncheon.

Please RSVP at 537-3882 by 5:00 pm on May 8th.

We will then travel to the Weinheimer Farm to tour the plot.  
This plot contains 40 replicated varieties.

### Field Presentations Given By:

1:30 pm: Dr. Jourdan Bell - Texas AgriLife Extension Agronomist

- \* Wheat Varieties and their characteristics
- \* Freeze damage concerns
- \* Wheat Production Management Strategies

2:30 pm: Dr. Ed Bynum - Texas AgriLife Extension Entomologist

- \* Crop Insect Updates

2:45 pm: Texas Wheat Producers

- \* Updates

The Weinheimer Wheat Plot is located West of Groom. From the intersection of 293 and 2880, go south on 2880 5 miles to Co. Rd. 5, then west on CR 5 approximately 3/10 of a mile. The plot is on the North side of the road.

From I-40, go North a little over 3 miles on 2880 and then West on Co. Rd. 5 about 3/10 of a mile.

**2 General CEU's will be offered for this tour**

## **Cotton Variety Characteristics**

The 2016 Texas Panhandle Cotton Variety Trials information is now available.

For a complete copy of information on Cotton Variety Characteristics Please visit our Website at:

### **Wildfire Victims Unmet Needs Request**

If you have suffered losses due to the recent fires and have unmet needs, you can apply for assistance. Those needs request are due in the Gray County Extension office by May 12, 2017. For more information or to get a Request Form contact the Carson County Extension office at 806-537-3882 or the Gray County Extension office at 806-669-8033. Also, if you suffered losses from the fires and are still in need of hay or feed, please contact the Gray County Supply Point at 806-669-8033.

I also understand that you can apply for assistance from the Texas Farm Bureau . The deadline for this assistance is on Monday, May 1, 2017. Contact the Texas Farm Bureau office before this May 1st deadline.

Applications can be found at:

<http://texasfarmbureau.org/>.
